— BAR HILL JUNCTION DISRUPTION — 14th–17th SEPTEMBER 2018

Following a meeting with a member of the A14 Integrated Team, I can update you on work to be carried out on the new Bar Hill Junction in September.

The A14 will **close at 9pm on Friday 14th September** (both directions) under the Bar Hill Junction to enable the two new bridge spans (each weighing 1,000 tons) to be placed on the new abutments. These will be moved into place on Self-Propelled Modular Transporters (SPMTs) over the weekend. This is only the second time this has been done in the UK and specialist teams will be coming over from the Netherlands to carry out the work.

3 of the 4 access points to the junction will remain open. You will be able to get to Tesco/Bar Hill and will be able to access the Bar Hill junction from the westbound carriageway from Cambridge (though not directly when travelling from Histon as the diversion route will be along the A428). The A14 team have advised that anyone using this junction should expect delays. The only journey to be severely affected will be travelling into Cambridge where you will have to find an alternative route as you will not be able to join the A14 at the Bar Hill junction towards Cambridge.

It has been requested that due to safety reasons, people do not go and watch the manoeuvring of the bridge spans. There will be a live webcam to allow people to watch development online (though it will be really slow) and once it has been completed, there will be a time lapse created and made available.

Prior to the work, the A14 team will be at Tesco car park with the mobile visitor's centre on 3rd and 6th September (mid-afternoon to early evening on both days). In addition, there will be a leaflet made available which will be posted on the Longstanton Parish Council website. Paper copies will also be located around the village at various places such as the Village Institute, Co-op, etc.

The junction will reopen in full along with the A14 on Monday 17th September at 6am.

Prior warning – dates have not been finalised, but around October time, the new span at Swavesey will be opening to traffic. Shortly afterwards, the A14 will be closed to allow the old bridge to be taken down. Please keep an eye on our website and the A14 Facebook and Twitter feeds for on-going information.

BAR HILL NEWS:

Advertising Coordinator:	Bunty Waters	01954 201421	

The objectives of the association are to act as an intermediary between residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interests of Bar Hill. Opinions expressed in this publication are not necessarily those of the Association. Anonymous letters will not be published, but names and addresses may be withheld. This is a private publication and may not be reproduced in any way without the prior permission of the Bar Hill Residents' Association Committee.

ADVERTISING

All matters relating to advertising should be addressed to the Advertising Coordinator bunty.waters@ntlworld.com. Quarter-page adverts cost £16.50 per month and must be submitted by the 1st of the month prior to inclusion. These ads are for local businesses and we guarantee publication, but this often results in a waiting list.

To help overcome this, we publish Maxi and Mini ads which appear throughout the publication. We cannot guarantee their inclusion, though, due to restrictions of space. Maxi ads (6cmx4½cm – 9cmx6cm) are £8.50 per month; Mini ads (6cmx2cm – 6cmx4cm) are £5 per month, and should be submitted by 15th of the month prior to their inclusion.

EDITORIAL

There is no charge for Articles, What's On, For Sale or Lost and Found. These appear at the Editor's discretion. Please submit items by 15th of the month. [Items offered For Sale will be advertised in two consecutive editions, so please let the Editor know if the item(s) sell after the first time.] All items can be submitted electronically on disk or to bhneditor@yahoo.com *[a Word file is best, please]* or hard copy via Parish Council Office.

— LETTER —

Dear Editor

It is with great sadness that Martin Avery is leaving the Residents' Association to follow on with his other interests. All his old colleagues and new members of the RA would like to thank him for the considerable commitment he has made to the village over a great many years.

In this time he has seen the village develop and grow, his contributions have allowed residents to enjoy wonderful fireworks, his enormous involvement in the many village Fetes, of course, was invaluable, and keeping the finances in good order for the RA. We have worked well as a team over the years and you will be greatly missed.

With all our very best wishes to Martin.

From the Committee members of the Residents' Association

— BAR HILL CRICKET CLUB —

No doubting this month's headline maker – Adam Dean returning from injury to hit a brilliant century – 121 not out – against Madingley.

He also took four wickets and a catch but amazingly still finished on the losing side as the visitors passed Bar Hill's total of 207-4 with four wickets in hand. The match also saw youth player Sam Connor make his league debut and show what a good prospect he is – hopefully the first of many to graduate from our youth system to adult cricket!

Bar Hill had managed their first victory of the season the previous week against Haslingfield. Having restricted their opponents to 218 on another sweltering day, Phil Orvis made 81 and 'loan' player Freddie Eggleton 85 not out as Bar Hill passed that total with only two wickets lost.

In the other matches, leaders Bassingbourn proved too strong, despite three wickets for Scott Underhay and scores of 45 by both Phil Orvis and Jim Neal – the latter not out, while there was defeat by six wickets to Cambridge St Giles III in the other match this month, Jake Curry making 28 as the top-scorer.

Many thanks to all who supported our race night at the Social Club, which raised some very welcome funds for the club and also for Addenbrooke's and Great Ormond Street charities, which our youth player Harry has raised more than £2,000 for after his brother Jack was treated there.

With the funds contributing to youth development, it was great to see so many of our young players (and parents) enjoying the night, and massive thanks are also due to Jimmy and Dan Marsh for organising such a memorable event.

We will also be present at the village Fun Day on 1st September, with cricket activities on the village green and a club barbecue too!

Finally, we are already planning for next season and are on the lookout for people who may be willing to take a one-day Coaching Assistant course (or indeed take the plunge to become a fully-fledged coach!) for next season – it could be club members, parents or anyone else. The club funds the courses, so if you are interested, please get in touch with me on the number below.

For more information about the club, visit www.barhillcricket.org.uk.

NEW FOOTPATH TO LOLWORTH CHURCH

The A14 development works will make Lolworth far more accessible to both motorised and non-motorised traffic. Church Lane is an integral part of public footpath 5 which goes from Cuckoo Lane to Lolworth Spring. Currently the path ends at this point making it an unattractive path to walk (it used to go to a public house that is long gone). When the A14 scheme is completed, the path will join the diverted footpath 150/5 and provide a circular walk from Lolworth to Bar Hill, utilising the millennium path. Apart from the recreational benefit to local residents of both settlements and potentially to those from further afield, re-surfacing of the path will have obvious benefits for those attending All Saints Church and to those who visit the graves of their relatives or who wish just to sit and enjoy the churchyard or church.

— DISTRICT COUNCILLOR NOTES —

I hope you have all had a good August and have had an opportunity to enjoy a restful time. It is usually quiet and I expected to be able to catch up on outstanding work things, however, I have found it to be quite busy.

I attended an update training with Environment and Health & Safety, one question asked was about cardboard not being collected.

This was explained: the lorries pick up the bins and automatically empty the contents, these bins are what the lorry automation expects, it does not have the ability to 'chuck' other pieces in, as for example a large piece of cardboard, which I think residents expect can be recycled in this manner.

So what is asked is that the cardboard is broken into smaller pieces, then put beside the bin so that the first 'tip' of the bin is done then the operator will come back and put the broken up cardboard into the bin so that it can be tipped in.

I hope that this explanation helps, I now understand better what to do with my cardboard.

I also attended a meeting with Mears, who look after the South Cambs council houses, they have taken on five apprentices, this is good news as we have a need for many more skilled people, especially plumbers and electricians, they would really like female applicants too.

Connecting Patients to Community Support

Funding from South Cambridgeshire District Council has enabled GP surgeries to employ a professional to focus on tackling loneliness and other non-medical issues.

The 'Social Navigator' has been appointed to link support available in the community to socially isolated residents, and those who need assistance with issues including exercise, diet and anxiety due to financial worries.

The role, which Cambridgeshire County Council's Innovate and Cultivate Fund is also contributing towards, sees an employee based at Granta Medical Practices, covering surgeries in Sawston and Linton. The aim is to reduce loneliness and the physical and mental health problems it can cause, while also helping to reduce the time spent by local GPs on non-medical issues.

The national Campaign to End Loneliness estimates that between 1,700 and 3,840 people over 65 years old in South Cambridgeshire are lonely.

Kelly Austin, who had already been working in the Sawston Medical Practice for eight years, was appointed to the role earlier this year, and is now seeing patients.

The scheme is designed as a non-clinical link between the surgeries and their communities. Doctors will refer patients on to Kelly to be seen if they believe they are socially isolated, lonely, need more company or are visiting the surgery regularly because they just want someone to talk to. They will also be referred if requiring help with exercise, diet or anxiety.

An easy to understand one-page wellbeing plan is then produced for each patient, giving details of all the local groups that can help them in their communities. These can be walking groups, art and craft groups, social groups, exercise classes or community allotment schemes.

The scheme is being funded as a trial for an initial two-year period. South Cambridgeshire District Council is contributing £17,500 per year towards the project, with Cambridgeshire County Council contributing a further £5,000 per year.

Please contact me on 01954 201421 or 07734 690580 or email: bunty.waters@ntlworld.com, if I can help in any way, or collect a recycling Caddy for you.

— BAR HILL CHILDMINDERS —

Bar Hill Childminders work as a close network of childcare professionals who offer a warm, friendly and loving home from home environment. We use the comfort of our homes as a base and can also offer your children the opportunities of day trips and range of outdoor experiences and take part in local community events and groups without being confined to one place.

We offer flexibility in the hours that we work to suit you and your child's needs with village rates, rather than having set session times.

Your child will receive focused and individual attention and care as we progress them through the EYFS curriculum. Child led play as well as structured and personally thought out activities will encourage them to grow and learn at their own pace taking in to account each child's individual needs.

Before/after school and holiday care for school aged children is available and leaves the stress out of your busy mornings and evenings.

We are Ofsted registered and inspected with 'Good' and 'Outstanding' inspection outcomes and are fully insured. We have access to childcare qualifications including level 3 in childcare. You can feel safe in the knowledge that we all hold Paediatric first aid certificate.

We welcome you to join us and have an informal chat at either of our friendly and inviting 'Little Bunnies' sessions on Tuesday and Thursday mornings from 9.45–11.15am in the Octagon, term time only – (£1.50 for one child under one, £2.50 for one child over one and £3 for 2 or more children). Here we offer a wide range of sensory experiences, activities, stories, singing and more...

These sessions are not only for Childminders but also for any children aged 0–5 years and their parents/carers to attend – so come along and join us!

Government Funding for 3 and 4 year olds (15–30 hours per week) – 'Universal' and 'Extended'.

Some of our Childminders are now registered to offer Government Funded places for children aged 3 & 4 years old (+ qualifying 2 year olds). The Funded hours each week can be shared between a Childminder and your child's Pre-school and/or Nursery. Below is a list of our Childminders – those who offer Government Funding have a letter 'F' before their name:

— WILDLIFE TRUST —

Huntingdonshire Local Group

Otters in Cambridgeshire

We invite you to the first of our indoor meetings on Wednesday **12th September** 2018 at **7.30pm**, at Brampton Memorial Hall, Thrapston Road, Brampton, PE28 4TB.

Our topic will be delivered by Ruth Hawkesley. Otters are shy but appealing creatures, which have struggled in recent times to maintain their previous stronghold in our region. Ruth will explain the results from the 6th County Otter Survey that was carried out by the Wildlife Trusts and Cambridgeshire Mammal Group in the winters of 2016 and 2017 and the follow up site checks that have been undertaken this year.

A Tale of Trees, the Battle to Save Britain's Ancient Woodland

We invite you to this presentation on ancient woodlands on Wednesday **10th October** 2018 at **7.30pm**, at Brampton Memorial Hall, Thrapston Road, Brampton, PE28 4TB.

Our speaker will be Derek Niemann, a renowned nature writer and Guardian country diarist, who will look at how the destruction of up to half of the county's mature trees happened 40 years ago and will explain what has been done in recent years to ameliorate their loss.

These should be fascinating and stimulating talks and anyone who is interested is most welcome to attend. Booking is not necessary. The entrance charge is £2.50 (accompanied children free). For more information on either of these, please contact **Tim** on **01480 457795**.

— SUPPORT DURING A POWER CUT —

Do you know someone who may need extra support during a power cut? Do you need support? Although power cuts are rare when they happen they can be worrying.
UK Power Networks delivers electricity to homes and businesses across the East of England. We have a 'Priority Services Register' for people who might need extra help in a power cut, e.g. older people, families with very young children, and people with specific medical conditions, all of whom are eligible to register for free support.
You can find more details by calling 0800 169 9970 or at: ukpowernetworks.co.uk/prioritysupport.

ENJOY ENHANCED COMMUNICATION WITH YOUR CHILD

Babies are naturally gestural – whether they reach up for a cuddle, bang on their highchair, or clap their hands in excitement, they are predisposed to interacting using their hands. Scientific research has proven that babies are born "connected", meaning they are ready and able to interact.
At a "Sing and Sign" class, we teach carers signs through music, which entertains and stimulates the babies. Class sizes are limited to 12 to ensure a sociable and comfortable environment.
Free Taster sessions and classes are available throughout the year at the Bar Hill Octagon and around Cambridgeshire. For more information visit: www.singandsign.com,
E: singandsigncambridge@yahoo.com, T: 07732 380191.

Just one hour a week of your time will help ease social isolation and loneliness.
To become one of our valued volunteer visitors, contact our helpline on 0300 666 9860.

...did you know...

Donald Duck comics were banned from Finland because he doesn't wear any pants!

Live a good life. If there are gods and they are just, they will welcome you based on the virtues you have lived by. If there are gods and they are unjust, you should not want to worship them. If there are no gods, you will be gone, but will have lived a noble life that will remain in the memories of your loved ones. *Marcus Aurelius*

COULD YOU SPARE AN HOUR A MONTH TO CHANGE SOMEONE'S LIFE FOR THE BETTER?

Form the Future's successful mentoring programme for young people is expanding and they need more mentors to help students fulfil their potential. This year nearly 100 students from eight Cambridge and Ely schools, and local village colleges were supported by a volunteer mentor from the business community. In the next academic year, this number is doubling and they need 100 new mentors from different professions to meet all the areas of interest.
Anyone can be a mentor - training is provided. No previous experience is necessary, just a desire to make a difference and willingness to give up to one hour a month.

How does it work?

Mentors and Mentees are matched based on shared interests and job aspirations. Many of the students are eligible for free school meals, most are at risk of disengaging from education and not achieving their full potential, while some simply lack direction or have a career goal, but no plan for reaching it. Mentors can provide the vital one-to-one support that helps students find a new sense of purpose, motivation and direction.
Mentors receive 5 hours of training from a professional development agency, and Form the Future arranges the matching, the safeguarding issues and the logistics of the meetings (which always happen in school). You will be required to listen a great deal and empathise – providing words of challenge and support once you have built up a relationship of trust.
Research has shown that unemployment and low employment aspirations can be a family trait. Form the Future's mentoring scheme aims to break this spiral of low self-esteem, low aspirations and low achievement. If only 10% of their mentees are inspired to achieve, rather than under-achieve, that could mean 20 Cambridge teens in work, as opposed to on benefits.

Bar Hill Pre-School

— VILLAGE HALL —

01954 782892

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines eg children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on 01954 782892 to book an informal visit or for an application form.

— ELY PRIDE —

On Saturday 11th August, officers, staff and cadets attended Ely Pride to show their support for LGBT diversity in our region.

The event, which saw more than 2,000 people download free tickets to attend, was a huge success – with perfect weather, music and refreshments enjoyed by all.

Officers from Cambridgeshire Constabulary attended with a police gazebo, and a marked police vehicle in LGBT livery.

Sergeant Phil Priestley said: "It was a wonderful event that went off in a local spirit of community and inclusiveness. There was live music, and cold beer (not for the officers!) – which is a great combination – and we took the opportunity to speak to people about the need to report hate crime."

Hate crime against the LGBT community remains an issue – both locally and nationally – and we are encouraging people to have faith in our service and get in touch to report their experiences.

You can report hate crime (of any type) online by visiting True Vision at www.report-it.org.uk

— COUNTY COUNCILLOR'S REPORT —

The news over the past few months about the financial situation in which Northamptonshire County Council has found itself has served to highlight the budgetary challenges faced by all county councils. Cambridgeshire County Council has for some while recognised that in its ambition to make the county a great place to call home, it must review the way it does things, regrettably even reducing some of the things that it does. However, it has also sought to make greater support available to local community groups who as ever are doing a fantastic job of supporting their own local areas. I know that there are a lot of community groups in Bar Hill and would like to remind them that the County Council is continuing to offer funding through its Innovate & Cultivate Fund. It has two funding streams: Cultivate offers small grants of £2,000 to £10,000 aimed at encouraging local networks to support people to help themselves and each other. Innovate offers larger grants of up to £50,000 for bigger projects that demonstrate an innovative approach to address one of the seven funding priorities for Cambridgeshire. No Bar Hill group has yet benefitted from either so, if anyone is looking for funding, please do go to: http://www.cambscf.org.uk/icf.html for more details. The next round of applications will be considered in November.

The County Council is also doing as much as it can to make residents aware of the increasing risk of being scammed. The increasing ingenuity and innovation of those intent on profiting from the rewards that the rest of us have worked hard to achieve means that it is becoming harder to spot a scam. One of the recent innovations has been for scammers to tap into anything that may have recently been in the news or to offer very reasonable advice by pretending to be an organisation with which we are all very familiar. This month the police have warned that they have had an increase in reports about fake British Gas emails claiming to offer refunds. Prior to that the name of Argos was used in texts, again falsely claiming that recipients might be owed a refund. The Council's Community Protection Team is continuing its work to make the people of Cambridgeshire more #ScamAware. Watch out for that hashtag on the County Council's social media accounts. It is a worrying to hear that only 5–15% of scams are believe to be reported currently. Please do watch out for yourselves, your friends and neighbours [particularly in the more vulnerable groups] and encourage anyone who experiences a scam or identifies one to report it.

Thank you to all of you who have been in touch during the month. Please do contact me about any concerns or questions you have about any local or strategic issue.
